

## POSITION: Teacher - General Primary

### ABOUT NEWMARK PRIMARY - Making education meaningful

At Newmark Primary we equip our children with the emotional strength and practical know-how to contribute to and change their community for the better. So they can make a meaningful mark on today, and tomorrow.

We inspire children to be curious learners, empathetic thinkers and courageous doers through authentic learning grounded in real-life experiences. We immerse children in the world around them, showing them the problems and opportunities in it.

We encourage our children to be bold – to question the status quo, to get stuck in and make their mark. Giving them the emotional strength and practical know-how to find solutions that propel positive change in their communities and beyond.
