

DRESS CODE

At Newmark Primary we have a dress code for our children, rather than a school uniform. We have chosen a dress code to create a sense of community while allowing for individual expression. We have created guidelines for the dress code as we want to ensure that the school's values and philosophy are maintained and upheld in how our children present themselves.

GENERAL GUIDELINES

- Children must wear clothes that are smart casual. While we want our children to have a choice about what to wear and to be comfortable, we also want them to look neat and tidy when they come to school. We ask that clothes with holes and rips are not worn to school.
- Children must come to school dressed in clothes that are within the colour palette range (see below).
- Items of clothing can be either:
 - Solid colour within the colour palette
 - Include strips within the colour palette
 - Include dots within the colour palette
- Clothing with large logos, graphics, advertising symbols, emblems, alternate patterns, images/pictures can not be worn to school (a small unobtrusive logo the size of a 20 cent coin or smaller is acceptable).
- In alignment with the school's Sunsmart Policy, children must wear clothes that cover their body adequately and prevent direct exposure to UV rays (e.g. cover shoulders, torso and legs adequately).
- In alignment with the school's Sunsmart Policy, children must wear a hat in Term 1 and Term 4 to protect them from the UV rays. Hats must be wide brimmed, covering the face and neck adequately. Children without hats will be asked to play in the shade.
- Children can wear shoes that are within the colour palette and are solid colours. Shoes must be closed in and flat for safety reasons (e.g. no sandals, high heels or thongs are to be worn to school).

- On sport / PE days children can wear comfortable sport clothing within the colour palette, this includes tracksuit pants. Runners do not need to be within the colour palette.

NEWMARK PRIMARY CLOTHING

At Newmark Primary we have a variety of items for sale, including:

- Newmark bucket hats
- Newmark t-shirts

If you would like to purchase one of these items, head to our shop on our website:
